It was developed by Ukrainian developer Croteam and was published by Deep Silver. The game is a reboot of the first game and was released for the Windows operating system on 14 March 2011 and on the Xbox 360 on 10 July 2011. The game features a new map, The Hive, as well as three new weapons and new enemies, the Cacodemons. The game was released on 13 April 2012 on the PlayStation 3, PlayStation Vita, and Microsoft Windows. The game features cross-platform multiplayer between the PlayStation 3, PlayStation Vita, Xbox 360, and Windows, supporting split-screen, online, and local multiplayer. Gameplay Serious Sam 2 is a first-person shooter video game featuring a reboot of the 2001 video game Serious Sam: The First Encounter. Similar to its predecessor, players assume the role of Serious Sam, a genetically enhanced soldier armed with a powerful assault rifle, a pump-action shotgun, a flamethrower, and a plasma gun. The game is set on the planet of Serpis, where Serious Sam must thwart the plans of General Knox and the Cacodemons. The game features a co-op campaign, in which the player can play as Serious Sam, Serious Sam 2, and two random teammates. Players can play through the game alone or with another player locally, online, and/or in split-screen. Serious Sam 2 is set in the same universe as the first game, with the first game's ending revealing that the player had died in the first game's final mission. Unlike the original game, Serious Sam 2 features three new weapons: the wrist rocket, plasma gun, and grenade launcher, replacing the laser and flamethrower, respectively. Players are graded based on their performance in missions, which affects their rank in Serious Sam 2's online multiplayer mode, which unlocks new weapons and items, as well as improvements to the player's character, such as new DNA strands and skin color, along with random events. In the single-player campaign, the player must kill enemies and collect power-ups to progress. Serious Sam 2 is a reboot of the 2001 video game, Serious Sam: The First Encounter, and features a rebooted character and storyline. The game features three new weapons, three new boss monsters, as well as three new maps. The Hive is a new map based on the arcade game Microids Outlaw. Plot Serious Sam 2 begins with the mission "The Badlands" in 82157476af
